ACCOMPLISHMENTS

3 Short Films and Ongoing Web Series

I've completed three animation short films titled "Wonderful Pistachio's Dalek Commercial Parody" (2011), "Salvation" (2013) and "Autovista Mach 5 Tribute" (2013); All of these films were directed, written, produced, animated, modeled and conceptualized by me from beginning to end. It required focus, determination, organization, and creativity. I also maintain a Web Series where I give my thoughts on films and games while adding education and humor to the videos; I write, video, edit, and create special effects for this series and am also the host.
